

Missouri Department of Revenue  
**Driver's Privacy Protection Requirements**

Personal information may only be sold or disclosed if the requester meets one or more of the exemption requirements authorized in the Federal Driver's Privacy Protection Act, Section 2721 of Title 18 of the United States Code, and as amended by Public Law 106-69, Section 350. All persons and entities requesting the personal information on driver, nondriver, and vehicle registration records must be authorized under the Federal Driver's Privacy Protection Act. If you resell or redisclose personal information, you must keep, for a period of five years, records identifying each person or entity that received such information and the permitted purposes for which the record holder's personal information will be used and must make such records available to the Missouri Department of Revenue upon request.

Personal information includes the person's name, address, date of birth, gender, height, weight, eye color, driver license number, social security number, photograph, telephone number, and medical or disability information including restrictions.

Any person who obtains the personal information from the Department, either directly or indirectly, shall not use the Department records for any purpose other than that approved by the Department in accordance with the Federal Driver's Privacy Protection Act, U.S.C., Title 18, Sections 2721, 2722, 2724, and 2725, and as amended by Public Law 106-69, Section 350. Authorized use does not include bulk distribution for surveys, marketing, or solicitations, without the express consent of the record holder.
